EXPERIENCE

Teaching Assistant, UX Design | BrainStation

MAY 2021 – AUG 2021, VANCOUVER, BC

- Leading design sprints and kick off sessions on UX fundamentals.
- 1:1 support for UX students. Mentored 2 pods of 5-10 designers.
- Grading student assignments and providing constructive feedback.

New Business Sales Executive | Aspermont Media

NOV 2018 – JUN 2019, VANCOUVER, BC

- Identified new business opportunities for the Mining Journal and Mining News digital and print publications in North America.
- Secured contracts with clients in Canada, the US and Colombia.

Business Intelligence Analyst | Associated Press

SEP 2014 – JAN 2018, LONDON, UK

- Transformed video and text content usage data into insights and recommendations that facilitated up-selling, renewals, and sales.
- Designed proactive, customer-facing reports and monthly editorial highlights for targeted clients.
- Created and maintained monthly scorecards, editorial dashboards and content infringement reports.

Sales Reporting Analyst | Deutsche Bank

NOV 2013 – SEP 2014, BIRMINGHAM, UK

- Provided first level support and insight to the global sales teams.
- Responsible for the automation of scheduled reports and training and development of 3 analysts on the team.

Project Manager | Halcyon Medical

SEP 2010 – MAR 2012, BIRMINGHAM, UK

- Designed and implemented a new incentive scheme to reduce A&E attendances and outpatient referrals.
- Successfully met and exceeded targets set by Primary Care Trust.

EDUCATION
